<p>Sections 2 - 3 & 7 belong to this lecture. This course requires registration for a discussion section. Students will be automatically registered for this lecture when registering for the pertinent discussion section. Supplemental Instruction (SI) is attached to this section. SI provides free, organized group study sessions in which students actively focus on course content, test preparation, and study skills. SI is facilitated by trained student SI leaders. SI session times are determined the first week of class. See http://learningcenter.utah.edu/ for more information. Learning Assistants (LAs) are attached to this section. LAs are undergraduates who are familiar with course content and trained in small group facilitation. This course includes opportunities for collaborative, active learning, during which students discuss ideas and problem-solve together.</p>

This course offers students the opportunity to concurrently enroll in a (1) credit Spanish or Portuguese Language discussion section. To make the achievement of intercultural competence possible for all students, Cultures and Languages Across the Curriculum (CLAC) programs integrate different languages and cultures into a variety of curricular contexts beyond the traditional foreign language classroom. Enroll in MUSC 4899-001 CLAC (Spanish) OR MUSC 4899-002 CLAC (Portuguese) to participate in the Cultures and Languages Across the Curriculum (CLAC) cultural learning model. May be taken with MUSC 4899-001 CLAC (Spanish) OR MUSC 4899-002 (Portuguese).
