Optional discussion sections to be arranged.

This is a hybrid course, which uses a mixture of online, face-to-face, and technology enhanced instruction. You will need reliable computer access and good computer skills.

Students will have online sessions every week and will meet on-site some Mondays in JTB 310 from 3:00 - 5:00pm following the end of each module. The on-site meeting dates will be Mondays Jan 7, 28, Feb 11, 25, Mar 18, Apr 1, 15 and the final exam TBA. All exams will be on-site. Once registered view the first online lecture or the online TA/instructor Q&A for details.

Sections 2, 3 and 7 belong to this lecture. This course requires registration for a discussion section. Please do not register for discussions that you are unable to attend. This prevents other students from registering.

Supplemental Instruction (SI) is attached to this section. SI provides free, organized group study sessions in which students actively focus on course content, test preparation, and study skills. SI is facilitated by trained student SI leaders. SI session times are determined the first week of class. See https://learningcenter.utah.edu/supplemental/index.php for more information.

Sections 5 - 6 belong to this lecture. This course requires registration for a discussion section. Please do not register for discussions that you are unable to attend. This prevents other students from registering.

This class will meet with CHEM 1220-002 in ASB 220.

This is a Hybrid course, which uses a mixture of online, face-to-face, and technology enhanced instruction. Students will be automatically registered for the lecture section when registering for one of the lab sections. The lecture portion of the course will be delivered via pre-recorded videos online and so does not have an official meeting time. You must attend the lab section for which you registered.

Sections 2-10 belong to this lecture. This course requires registration for a lab section. Lecture begins Jan 11. Check-in for the labs begins Jan 18. If you are not there for the lab check-in, your slot will go to another student.

Special Fee: $75.00

Sections 2 - 3 belong to this lecture. Students will be automatically registered for this lecture when registering for the pertinent lab section. Supplemental Instruction (SI) is attached to this section. SI provides free, organized group study sessions in which students actively focus on course content, test preparation, and study skills. SI is facilitated by trained student SI leaders. SI session times are determined the first week of class. See https://learningcenter.utah.edu/supplemental/index.php for more information.

Students registered for Economics CW courses or desiring additional instruction in writing may register for this class. Only one meeting is required for the class with other correspondence by email from instructor. Instructor will send details and information via the class email list. To determine the last day to drop this miscellaneous course, see http://www.acs.utah.edu/sched/handbook/dropdeadlines.htm or contact the Registrar's Office at 581-8969.

Class will meet in BEH S 114 for the semester and only in HPR W 117 on January 22.

Special Fee: $25.00

**Environmental and Sustainability Studies**

This is a Hybrid course, which uses a mixture of online, face-to-face, and technology enhanced instruction. Lectures and various content will be delivered online. Class sessions will also sometimes be held on campus grounds, rather than in a classroom. Sections 002-003 belong to this section. This course requires registration for a lab. Students will be automatically registered for this lecture section when registering for the pertinent lab. An optional 1-credit section taught in Spanish is offered for this course: ENVST 3960-001. Special Fee: $10.00

Environmental and Sustainability Studies

This one-credit companion course is offered as a Spanish CLAC section to be taken in conjunction with ENVST 2050-001 and ENVST 2050-090. Students need to be concurrently enrolled or have taken prior to the semester enrolled in this course. Roughly 2 years of language experience in or outside the classroom is highly recommended. For more information about CLAC courses please see http://ias.utah.edu/language/clac.php

French

- Not open to students with 1-2 years in French speaking country.

Geology and Geophysics

- Special Fee: $25.00

- Special Fee: $2.00

Section 2 belongs to this lecture section. This course requires registration for a lab section. Students will be automatically registered for this lecture section when registering for the pertinent lab section.

Special Fee: $12.00

Special Fee: $20.00

Supplemental Instruction (SI) is attached to this section. SI provides free, organized group study sessions in which students actively focus on course content, test preparation, and study skills. SI is facilitated by trained student SI leaders. SI session times are determined the first week of class. See https://learningcenter.utah.edu/supplemental/index.php for more information.

This course offers students the opportunity to concurrently enroll in a (1) credit Spanish or Portuguese Language discussion section. To make the achievement of intercultural competence possible for all students, Cultures and Languages Across the Curriculum (CLAC) programs integrate different languages and cultures into a variety of curricular contexts beyond the traditional foreign language classroom. Enroll in MUSC 4899-001 CLAC (Spanish) OR MUSC 4899-002 CLAC (Portuguese) to participate in the Cultures and Languages Across the Curriculum (CLAC) cultural learning model. May be taken with MUSC 4899-001 CLAC (Spanish) OR MUSC 4899-002 (Portuguese).

| 7932  | MUSC  | 3600-002| World Music                 | LEC | 3.0   | MWF  | 08:35 AM - 09:25 AM |        | DGH 270         | PARRA, A.        |

There is no departmental wait list available for this class. Please DO NOT contact the instructor or department to obtain a permission code to add. You may periodically check back through uEnroll to see if additional seats have become available, otherwise the class is full and cannot accept additional students.
